Workplace Safety Committee

MLS has obtained its Pennsylvania Certification for Workplace Safety Committee. The Certification is approved by the Pennsylvania Department of Labor & Industry, Bureau of Worker's Compensation.

The Committee meets regularly and consists of field staff and employer representatives, who also attend required Safety Committee annual training.

Responsibilities of the committee include:

- Keeping safety and hazard communication topics current,
- Reviewing, recommending, and implementing safety training,
- Investigating accident and incident reports,
- Reviewing and recommending safety policy and policy implementation, and
- Working closely with an outside Senior Risk Management Consultant.
